Dear Applicants,

Re: Update on Nutrition Funds Request (Group Request)

As of the latest update, we have not received anything from Indigenous Service Canada (ISC). We acknowledge that there has been a delay in receiving responses, and we want to assure you that we are doing everything within our means to expedite this process. Please be patient with us as these requests can sometimes take time to be thoroughly assessed and approved.

We apologize for any inconvenience this delay may have caused and are grateful for your continued understanding and patience.

Sincerely,
