Closures and Restrictions to Non-Essential Business and Visitors

With the Rising issues with Social Distancing and Non-Essential Business/Visiting.

Big Grassy First Nation has put a "NON-Essential/Visiting" Ban in place to help keep the communities safety and best interest a key factor during this time.

Essential businesses will continue as usual however Non-Essential will not.

We are asking the Community Members as well as the General Public to Please Respect this Notice as the Community safety Depends on it.

Please Refrain from any Un-Necessary Visiting and Please Take the Social Distancing seriously.

These Pre-Cautions are in place to Protect Everyone!

Miigwetch/Thank you

James Eastman -Health Director
